

ID Scan - Document Photo

- Before you begin your assessment, your institution via SUMADI™ will require to scan your valid identification document.
- The ID Scan feature will appear after you do your initial face and data registration, it will appear as follows and you must follow the next instructions:

- 1 Make sure that the ID photo is clearly shown in the webcam preview frame.
- 2 Make sure that the text (**first and last name**) of the official ID is clearly shown in the webcam preview frame.

SUMADI My Exams

Make sure your image only contains the desired document.
