The screenshot shows the SUMADI Exam Configurations Students Profile Administrator interface. The page title is "Student Report". Below the title, there is a text description: "The following table displays the detected behavior during the Student proctoring ordered by most suspicious alerts to the least. Please use the sorting filters to find the desired information." To the right of this text is a search box containing "5PS" and a "CSV" download button. Below the search box is a table with the following columns: Student Name, Successful Face Ver. (%), Warning Face Ver. (%), Failed Face Ver. (%), Successful Face Ver. (Num.), Warning Face (Num.), Failed Face (Num.), Supervision Duration, Time Exhausted out of Exam, and Num. of Events. The table contains one row with the student ID "5PSW3-BZQR9" highlighted in blue. A red "6" is placed over the student ID, and a red "5" is placed over the search box. At the bottom left of the table, there is a "50" dropdown menu, and at the bottom right, there is a "1" button.
