Note: You can filter the exams individually by proctored and non-proctored (in Cambridge all exams are “proctored”).

In addition, you can change the view to *card* or *list* using the buttons located in the upper right corner of the screen.

- 3 You must filter the exams by the dates you wish to review. When you click on the dates, a calendar will be displayed where you can choose the corresponding days.

The screenshot displays the Cambridge Assessments web interface. On the left is a dark blue sidebar with the SUMADI logo and a menu containing 'Your Exams', 'Student Profiles', 'About Us', 'Contact Us', and 'Privacy Policy'. The main content area has a blue header with 'YOUR EXAMS-Cambridge Assessments' and 'Cambridge Assessments' in large white text. A white button labeled 'Attempt 1' is in the top right. Below the header is a 'Student Report' section with a search bar, a date input field containing '01/13/2022' (highlighted with a red arrow), a calendar icon, and a 'Download Report' button. A calendar for January 2022 is open, showing the 13th as the selected date.

Note: All records will be saved on Attempt 1, regardless of how many times the candidate has entered the exam.
