

Cómo eliminar el perfil facial de un candidato - Faculty Legacy

- 1 En la interfaz de docente en SUMADI™, diríjase a la sección de “Student Profile Administrator”.
- 2 Busque el usuario a eliminar.

A screenshot of the SUMADI Student Profile Administrator interface. The top navigation bar is dark blue with the SUMADI logo and menu items: My Exams, Exam Configurations, and Students Profile Administrator. A red box with the number '1' highlights the 'Students Profile Administrator' link. Below the navigation bar, there is a section titled 'Institution:' with a sub-instruction: 'Student profile administrator display all available SUMADI students profiles which could be disabled. Click on delete button to delete the SUMADI student profile.' A search bar contains the text 'user' and has a red box with the number '2' next to the search icon. Below the search bar is a table with columns: Username, Face Profile, Status, and Actions. The table has one row with 'Pending' under Face Profile and 'Enabled' under Status. A red box with the number '1' is next to the delete icon in the Actions column. At the bottom left, there is a dropdown menu showing '200' and a blue box with the number '1' at the bottom right.

- 3 Elimine el usuario deseado haciendo clic en el ícono de la papelera.

Instiution:
Student profile administrator display all available SUMADI students profiles which could be disabled. Click on delete button to delete the SUMADI student profile.
