

# Opening the SUMADI App - Cambridge

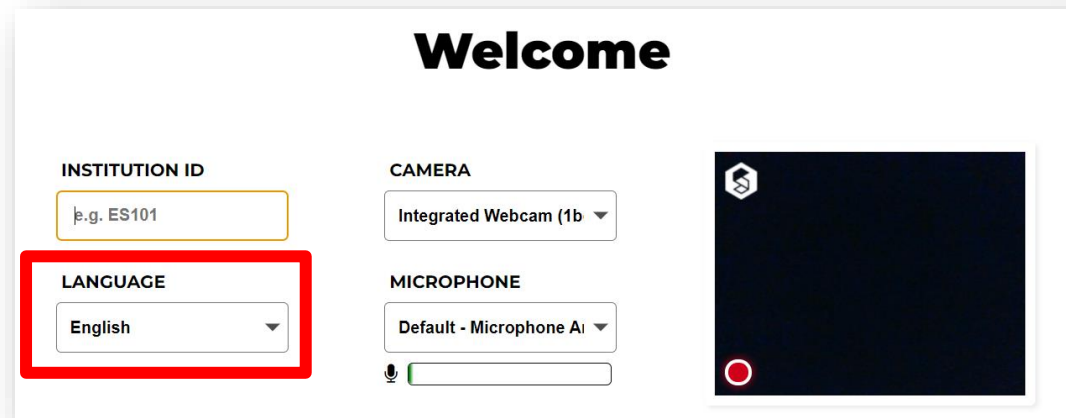

Before starting SUMADI™, you must ensure that all programs and/or windows on the testing computer MUST be closed prior to logging into the proctored test environment and must remain closed until the test is completed.

**Note:** To install SUMADI™ on your computer, you can see the steps in the “Install Sumadi” guide corresponding to your operating system.

- 1 The first time you open the SUMADI™ shortcut on your desktop, the SUMADI™ app home page will open:

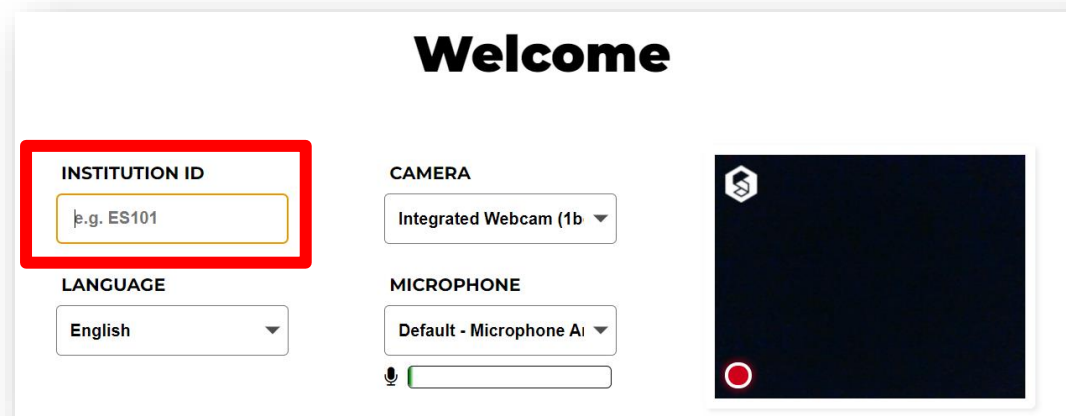

- 2 Select the language preference of the application.

The screenshot shows a 'Welcome' interface with the following elements:

- INSTITUTION ID:** A text input field containing 'p.g. ES101'.
- LANGUAGE:** A dropdown menu with 'English' selected, highlighted by a red border.
- CAMERA:** A dropdown menu with 'Integrated Webcam (1b)' selected.
- MICROPHONE:** A dropdown menu with 'Default - Microphone A1' selected.
- A video feed area on the right showing a dark screen with a small icon in the top left and a red circle in the bottom left.

- 3 In this option you must place the institution ID that was assigned to you. *Please make sure to change it in case you are taking an examen under a different institution.*

The screenshot shows the same 'Welcome' interface as above, but with the INSTITUTION ID text input field highlighted by a red border.

**Note:** The Institution ID is provided by your institution.
